EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Max Garwood on Sept. 14, 2005.

The application has been amended as follows:

Claims 6-7, and 10-17 have been canceled;

In claim 1, line 12 "each having at least one annular ring" has been deleted and – each having a shoulder section of larger diameter than an inner diameter of said line guides and a tubular section having raised annular rings connected to said shoulder section, said tubular section adapted to be inserted into an end of said elongated tube, said captivating device having an axial hole there through for the passage of a fishing line-- has been inserted;

In claim 18, line 9, "each including at least one annular ring" has been deleted and –each having a shoulder section of larger diameter than an inner diameter of said line guides and a tubular section having raised annular rings connected to said shoulder section, said tubular section adapted to be inserted into an end of said elongated tube, said captivation device having an axial hole there through for the passage of a fishing line—has been inserted.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the prior art particularity Bahn does not show captivating devices having raised annular rings adapted to be inserted into an end of the elongated tube.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kurt Rowan whose telephone number is (571) 272-6893. The examiner can normally be reached on Monday-Thursday 6:30-5:00.
